<td>○ Check-in consists of speaking with program staff to ensure all requirements and balances are submitted and receiving an envelope of information including:</td>
<td>○ Check-in ends at 1:00pm, so it is recommended that students arrive by 12:30pm at the latest to ensure they have enough time to complete the check-in process.</td>
<td>○ Students arriving by car should consider parking near the Leadership Institute residence hall, Emory-Woolley at 200 Meeting St. and then walk to the Main Green for check-in. Luggage can be transported from the car into the residence hall after check-in.</td>
<td>○ Students are expected to move their own luggage and personal items. For that reason, packing light is the best approach, ideally with luggage that has wheels and is easily transported.</td>

Parent-Student Orientation | 10:00am | 11:00am or 1:00pm | Salomon Hall, rooms 101 and 001, Main Green | Presentation takes about 45 minutes

Students and their families should attend one of these orientations that will be led by Pre-College Program leadership. If students arrive to campus without a family member, they should still plan to attend one of these orientations.

After 1:00pm | Late Arrival | Please contact Pre-College Program Advisors if you must arrive after 1:00pm: precollege@brown.edu / (401) 863-7900

2:00pm | Families Depart Campus

4:00pm – 6:00pm | Orientation for Students, Community Meetings, and Campus Tour | Building for Environmental Research and Teaching (BERT) 130, 85 Waterman Street

These orientations are led by Leadership Institute staff and cover program information as well as important policy and protocols students need to know their first night. Immediately following their Orientation session, students will depart from BERT 130 to engage in community-building activities with the other students in the Leadership Institute and be led on a mini-tour of campus to prepare them for classes the next day.

6:00pm – 7:00pm | Dinner | Sharpe Refectory (“the Ratty”), Wriston Quad

Students will attend dinner with their residence hall staff.

7:00pm – 9:00pm | Leadership Institute Activities | Andrews Commons, Pembroke

Students will engage in interactive activities connected to the pre-course module and socially responsible leadership.

9:00pm | Mandatory Floor Meeting with Resident Assistants (RA) | Residential Students’ respective Residence Halls

During this meeting, students who live on the same floor will create community standards, review residence hall policies and expectations, and continue to get to know one another better through community building activities. Students will also have an opportunity to ask their Resident Assistants (RA) any questions before they head to their rooms for the night. Classes start the next day.

10:00pm | Curfew Check-in | Resident Assistant’s (RAs) Room

Each night students are required to check-in with their RA by 10:00pm and then stay in their residence hall until 6:00am the next morning. This is a requirement for a number of reasons: ensuring student safety, providing an opportunity to speak with RAs about anything that may have come up during the day, and assist students in developing good study and sleeping habits. Failure to abide by this policy sets in motion a protocol wherein the Residential Staff, the Brown Police Department, and others begin to look for students until they are found. If a student and their family decides that they want to have the student stay off-campus this first night, the parent/guardian must inform the Residential Staff of this and submit an Overnight Form for review and approval. This form will be made available soon.
