

Thank you for your interest in Brown Pre-College!

The essay prompts for the Summer 2025 application are:

- *Many of our students come to learn more about one of their passions, or because they find a class in a subject that they are really excited about. Tell us about your passion or a subject that excites you. How will you continue to explore this subject or passion at Brown Pre-College?*
- *Look back on an event, an experience or an accomplishment that was meaningful to your educational journey. How did you grow as a result? What did you learn that will help you as you continue your journey at Brown Pre-College?*
